Every day may not be good....but there is something good in every day.”

1. Read the first 2 chapter given in the novel HEIDI . Underline the new words, write their meaning. Make a collection of word meanings. (At least 5 words)

2. **Be Glad Your Nose is on Your Face**

By **Jack Prelutsky**

Be glad your nose is on your face,

not pasted on some other place,  
for if it were where it is not,  
you might dislike your nose a lot.

Imagine if your precious nose  
were sandwiched in between your toes,  
that clearly would not be a treat,  
for you'd be forced to smell your feet.

Your nose would be  
a source of dread  
were it attached atop your head,  
it soon would drive you to despair,  
forever tickled by your hair.

Within your ear,  
your nose would be  
an absolute catastrophe,  
for when you were obliged to sneeze,  
your brain would rattle from the breeze.

Your nose, instead,

through thick and thin,  
remains between your eyes and chin,  
not pasted on some other place  
— be glad your nose is on your face!

Read the above given poem and draw your imagination in a comic way.  
Which part of the poem was funniest according to you. Write it in 30-40 words.
