

**Holiday home work for summer vacation**

**Date - 31-05-2021**

**Class- VIII**

**Home work no- 4**

**English**

Lockdown days have been really hard to pass. Students are stuck at home. This can have an impact on them and writing about it might help express their innermost feelings. With the title 'Lockdown Moods', write an essay on the impact in the life of a normal individual, the changes in routine, compulsion of staying at home and the advantages & disadvantages from your point of view as a child. You may make it creative and informative by drawing/pasting supporting pictures. Use ¼ of a chart paper/a drawing sheet.

**Hindi**

संवाद:

आपने हरिशंकर परसाई की व्यंग्य-रचना "बस की यात्रा" पढ़ी है | इसके आधार पर कल्पना कीजिए कि यदि बस जीवित प्राणी होती और आप उससे बात करते तो वह अपने बारे में क्या-क्या बताती | आपके और बस के बीच हुई बातचीत को संवाद के रूप में (लगभग 100 शब्दों में) लिखिए |

**Sanskrit**

1. किन्हीं पाँच उकारान्त शब्दों को लिखकर उनका वर्ण-विच्छेद कीजिए ।
2. यदि आपको संस्कृत भाषा में कविता लिखने का अवसर मिले तो आप किस विषय पर कविता लिखना पसन्द करेंगे और क्यों ? 50 शब्दों में लिखिए ।

## Social Science

Activity : Brochure Designing

Design a brochure on any monument of your city. Discuss the following: -

Period of Construction

Architectural Pattern

Purpose of construction

## Science

1) Make a list of metals and nonmetals found in your home.

2) Prepare a chart showing any four metals and four nonmetals. The card should have information like name of the metal/nonmetal, its properties and uses. (project)

3) Write any two chemical equations of neutralization reaction, also write the all information about the reactions.

4) Write the constituent elements present in the following alloys-  
Brass, Bronze, German silver, Stainless steel.

## ICT

- Make a PPT on the advantages of computer and smartphones during the two consecutive years of Pandemic and how they are useful for the students. Are there any side effects of using computer during this lockdown period by the students?
