BAL BHARATI PUBLIC SCHOOL, NTPC NABINAGAR

(An Institution of the Child Education Society (Regd.) Delhi)

Child Education Society, the governing body of Bal Bharati Public Schools and other institutions of higher education, was set up in the year 1944 during the pre- independence era when the elders thought that Indian culture, heritage, tradition and ethos must be preserved and conserved. In order to achieve these objectives, it became obligatory for the Society to educate the young people. Thus the Society was registered under the Societies Act, 1860.

The Child Education Society has witnessed phenomenal growth in recent years, with the number of institutions going up from just one school and a Nursery Teacher Training institute in 1984 to as many as twenty-four today. Seven of these are Project schools in collaboration with the Indian Railways, National Thermal Power Corporation (NTPC) and Moser Baer. This is largely the legacy of a towering figure, a visionary a mover and shaker, the (late) Mr. K.K. Khullar, President of the Society. After his passing in June 2014, the responsibility was borne with great efficiency by (late)Sh.

L.R. Channa, an educationist and social worker, after his divine soul left for the heavenly abode on 14th May 2021 the mantle of leadership is upon the able shoulders of the dynamic leader Mr. Nikhil Channa.

Bal Bharati Public Schools are comprehensive, co-educational English Medium schools. Hindi enjoys its place of pride as the National Language in its curriculum.
